Our cute little house on Second St was to be our retirement home in about a year - We spent the last eight years remodeling and really love Waveland. We have only a slab left, but so many good memories. Hopefully, we'll be able to rebuild one day and start making new memories.

Write something special that you would like Santa to bring you or your family:

Thank you for thinking of us, but we feel so blessed to have our health, family and friends. We hope that everyone affected by Katrina will have some happiness during the holiday season.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
